HOW CAN 4-H CLUB MEMBERS
HELP TO STRENGTHEN
OUR DEMOCRACY?

Discussion Conference
National 4-H Club Congress

Boulevard Room
Stevens Hotel
Chicago
3 to 5 p.m.
December 5, 1940

The democratic theory of government and of life in a democracy opposes one-man rule, and holds to the belief that the individual controls his government through active participation in the processes of political democratic government, but bows to the will of the majority, freely expressed. The motivating force of the theory of a democratic way of life is still a belief that as individuals we live cooperatively, and, to the best of our ability, serve the community in which we live, and that our own success, to be real, must contribute to the success of others.

-- Eleanor Roosevelt,
The Moral Basis of Democracy.
